CORRIGENDUM

Below is the amendment regarding the GeM tender No. - GEM/2025/B/5862398, dated-24-01-2025 published on the ICCR website (iccr.gov.in) and GeM Portal (gem.gov.in):

1. **“Hiring of AWS Cloud Services from MeitY empanelled Cloud Service Providers (CSPs) or their Authorized Managed Service Providers (MSPs)” for the period of 1 Year may read as “Hiring of Cloud Services from MeitY empanelled Cloud Service Providers (CSPs) or their Authorized Managed Service Providers (MSPs)” for the period of 1 (One) Year”.**

2. **It is pertinent to mention that ICCR is currently using the AWS Cloud Services through Managed Service Provider (MSP). In case the services are provided by other Cloud Service Providers (CSPs) or their Authorized Managed Service Providers (MSPs), the cost of migration from the existing infrastructure to the new environment will be borne by the Bidder, not by the ICCR.**

Bidders are requested to take this into account while preparing their proposals, including the technical and financial bids.
